

心窗

打開那深閉的心窗

透進來真愛的陽光

透進來和善的陽光

充愛的心窗 沒有悲傷

充愛的心窗 沒有沮喪

放曠的心坎 充滿歡暢

充愛的心窗 不再幽暗

充愛的心窗 不再虛幻

放曠的心坎 充滿希望

要在真愛中成長 要在真愛中顯光

Window To The Heart

Open wide the shuttered windows to the heart

Let the sun rays of true love shine through

Let the sunshine of gentle kindness through

Window to the heart, filled with love, no more sadness

Window to the heart filled with love, no more dejectedness

Broadened the depths of the heart, brim with happiness

Window to the heart, full of love, no more darkness

Window to the heart, full of love, no more illusion

Widened the depths of the heart, fill (it) with hope

Progress with true love, glow radiantly with true love
