

神光照著你

有信心有愿力

神光會照著你

使你看到了自己

找到生命的真義

活著不是，只爲了自己

而是留下，美好的事跡

施予貧困，是一種福氣

接受救濟，是一種恩賜

活著不是，只爲了自己

而是留下，人生的足跡

一份真心，任勞不居功

一份真情，施恩不忘報

The divine light shines upon you

With conviction, from the strength of an avowal

The divine light shall shine upon you

To let you perceive yourself, to find the true value of living

To live not only for yourself, but to leave behind good memoirs

Capacity to serve the poor is one's good fortune

To accept help from others as a bestowal from God

To live not only for yourself, but to leave behind good footprints

An offering of the sincere heart claims no credit

A gift of true feelings does not ask repayment in gratitude
