

真修實踐

在人生旅途上

縱情浪蕩,浮華幻象

在修行途徑上

怠惰散漫,執著狂妄

開明世濁的貪染

宗教視野的迷障

真知實學,崇高的理想

真修實踐,清明的信仰

靈性修覺,不斷滋養

人生穩實,不停成長

Sincerely cultivate and faithfully practice

On the journey of life

Self indulgence, loose morals, frivolity and illusions

On the path of cultivation

Idleness, obstinacy, arrogance and indiscipline

The mortal world is excessively free, tainted by greed

The vision of religious beliefs is obscured

Earnestly comprehend and steadfastly learn highly esteemed ideal

Sincerely cultivate and faithfully practice the belief of pure tranquility

Inculcate within one's spirit, constantly nurture

Existence will steadily and continually grow
