

宗教的福田

施惠的農夫

一位位功成的往後退

飛黃的稻穗

一串串謙卑的向低垂

祛除欲望的表殼

捨棄心頭的自我

無時呀無刻

在真理的心田上澆水

全心呀全力

在正義的心田上施肥

The Heart's Paddy Fields

The good farmers move in motion, backwards step by step (during planting)

The golden swaying stalks, abundant with yield bend over in humbleness

Get rid of the shell of desire

Abandon all egoism

At all times

Water the heart's (paddy) fields of truth

With all efforts

Enrich the heart's (paddy) fields with righteousness
