

人生無常

人生有透亮,人生有晦暗

人生有聚歡,人生有離散

人生呀人生,畢竟是無常

發揮生命的潛能,不要白走這一趟

創造生命的永恒,不要白走這一趟

向善向上,湧起靈性的力量

向上向善,驅走迷惑的黑暗

向上的人生, 才会有指望

向善的人生, 才能盡放光

Life is ever changing

Life is sometimes brightly translucent, life is sometimes dimly dark

Life has happy gatherings, life has leaving and separation

Life ah life, in finality it is ever changing

Manifest all its capacity, let not this lifetime's journey be in vain

Create an eternal life, let not this lifetime's journey be wasted

Look to goodness and heaven, bring forth all of life's spiritual strength

Look to heaven and goodness, chase away all confusion and darkness

A life that seeks ascendance, shall have hope and future

A life that look to goodness, shall have the greatest radiance
