

修行路(廣東)

求証無上道(2)

要向真經中求進步

要轉向內心修,要專向內心求

要馳向天心深處靜心修

覓得本來心,乃是心中的真神

滅斷煩惱,了斷生死路

五欲墮三途,急早回心向善道

滅斷煩惱,了斷生死路

修德是向上的徑途

若是人人修善道

人間的樂土會更美好

The path to salvation

Sincerely pray to the Almighty Truth

By means of true hymns, seek advancement

Look into your heart, focus within the divine heart

In pursuit of tranquility of within the heart

In finality realize that the inner core is truth itself

Cast away all problems, liberate from rebirth and death

The five desires lead to the three purgatories, return in haste

Shear off all troubles, release from rebirth and death

Inculcate virtues, the path towards heaven (salvation)

If all cultivate goodness, mankind shall achieve Utopia
