

捨假修真

外物的誘惑 情慾的放任

行爲不端正 心意不虔誠

惡疾病苦逼人向內心自省

渴仰心禱使人向神明虔誠

不生不死的精神 不變不滅的靈魂

捨假修真謝天恩 不求長生求永生

這一世,這一生 肅穆虔誠

每一刻,每一分 施愛行仁

Discard The False, Cultivate The Real

Temptations from beyond, desire and sexual abandon

Improper conduct and insincere intentions

When in throes of sickness, you recall the inner spirit

At thirst for God's saviour, you show utmost sincerity

The spirit is beyond the cycle of life and death

The soul is unchangeable and indestructible

Sacrifice the false (body) and cultivate the real (self)

(To) thank God for his blessing

Crave not for long life but seek forever life

Solemnly and respectfully within this lifetime

(With) each minute, each second (by) offering love and benevolence
