

靈修的精神

在信仰上 真修實踐

在宗教上 慎思明辨

不在無知的迷信上

而在真知的虔信上

真理的文字 刻在心版上

善愛的種子 撒在心田上

解人不能解之障難 救人不能救之禍患

在宗教上，心安理得 在信仰上，知足常樂

不在愛執的形式上 而在靈修的精神上

福慧增長靈命成長(2)

Spiritual Cultivation

In the true belief, follow steadfastly and practise

In the true faith, carefully differentiate (right from wrong)

(Cultivate) not in ignorant superstition

But in devotion arising from awareness

Carve the words of true belief in your heart

Sow the seeds of universal love in your heart

Free men from overwhelming obstacles, save men from calamities

In true faith, the heart is at ease, in true belief contented and happy

(Cultivate) not the form of religion, but practise spiritual dharma

Wisdom will be enhanced and spiritual life force shall grow (2)
