

真 (廣東)

那有曲中求是真 (2)

曲中求向假佛身, 求到滿足貪饜心

那有虛浮口說真 (2)

花中尋香虛浮心, 尋香花落淚中呻

那有法門騙人心 (2)

假借佛仙害人身, 貪色愛財黑暗心

那有無心見真身 (2)

錯失爲人化無心, 有心先能見真身.

True

No wish ever comes true from a deviant heart (2)

A deviated heart will turn to false gods, wishes to fulfill only avaricious desires

No truth ever comes from superficial speech (2)

A superficial heart seeks fragrance from flowers, tears follow when pleasures with flowers fade

No religious gateway defraud a believer's heart

Falsely use God's name to harm others, lust, greed, a blackguard's heart;

One may not meet the Avatar without a true yearning heart

Impropriety and poor conduct annihilate the true heart

Only the true heart may greet the real Avatar
