

我執

我貪是世俗的鬥爭

我見是宗教的溝痕

黑暗心不存，永生修行人

分別心不生，持齋受戒人

嫉妒心不生，持齋受戒人

怨恨心不存，永生修行人

心不潔善，不願接濟人！

意不虔誠，祇要接近神？

樂天知命，明德才能行仁

假我犧牲，真我才得永生

我執呀我執，痛苦的根本（2）

Ego

Self interest will bring about a universal tussle

Self righteousness will lead to rifts in religious convictions

Dark hearts do not develop, in cultivators of eternal life

Discrimination does not grow, in the law abiding and kind vegetarians

Jealousy does not arise, in the law abiding and kind vegetarians

Hatred do not form, in cultivators of eternal life

An uncompassionate heart, is unwilling to lend a hand

Those who wish to approach God but lacked a pious willpower

Optimism, awareness of duty and guiding values, carrying out God's work

Surrendering the false body, the soul will beget a life eternal

The ego, the ego, the root of all pain (2)
