

蔓藤花

沒有正直的信行

是虛榮的浪漫

壓在脊骨上

沒有社會責任感

是奢侈的輕慢

壓在脊骨上

在物慾的貪念中

沒有規律的生長

在歡愛的亂想中

沒有觀念的開放

逐物縱情的生命，最是短暫

灰暗的絢爛中，歸向平淡 (2)

The creeping tendril

Bereft of an honest conduct

A superficial romanticism

Pressing upon the tender vine

Devoid of responsibility to the society

An arrogant extravagance

Squeezing the young tendril

Growing unruly amongst hedonistic materialism

Aberrant views of human relationships

An open mindedness without principles

A life in sole pursuit of materialism, is a brief one

Like a flash against the gloom, quickly return to the calm (2)
