

迷幻的世界

真理不存，迷幻的世界
阻擋不住，惡性的循環
愈來愈高，生活的要求
越來越重，生命的感覺
人類的欲望，無窮無盡
人生的苦劫，沒完沒了
冥頑不靈，邪惡的人性
感覺不到，生命的喜悅

A world of fascinating illusions

The truth does not exist, the fascinating illusory world
Could not deter, the cycles of viciousness
The wants of life rises higher and higher
The sense of living becomes heavier and heavier
Mankind materialistic desire, continual and endless
The calamities of mankind, never ends and resolve
Obstinately unregretful, the wicked evil human nature
Could not perceive, the happiness of existence
