

生命老去

時間一天天的過去
生命一天天的老去
大限來時，老大不願意
辭世這事，心中老惦記
私欲惡疾，教自己沉溺
祛除惡習，才是真君子
祈求要真心，懺悔要誠意
真神的慈恕，是無邊無際
努力尋求，真神的寬恕
以善德彌補，罪孽的過去。

Life ages

Time passes day by day
Life ages day after day
When its time to go, the old clings on unwillingly
The departing event, hangs cravenly in thought
Selfish desires and bad habits, diminishes one self
Casting off all wayward habits, the mark of a gentleman
Pray with devotion, seek repentance earnestly
The Avatar's compassionate mercy, has no bounds and limits
Make great efforts to attain, God's absolution
Through kind virtuous conduct, redeem a sinful past
