

背著神光走

背著神光走,失序的腳步

背著神光走,偏鋒的小路

無奈陰影下真孤獨

迷惑的生命在萎縮

祇爲個己,心理的滿足

痛苦徘徊,在十字路口

快卸下,辛酸的包袱

快挽回,無知的錯誤

不要找,荒謬的藉口

生命中,踏實每一步

Back against the light of God

Back against the light, a disorderly sequence of footsteps

Back against the light, stumbling into dead ended petty paths

Helpless in dark shadowy hands, an intense loneliness

The muddled life became diminished

Only for selfish means, to satisfy the heart's desires

Hesitating painfully at crossroads

Swiftly cast off the bitter burden

Quickly redeem mistakes of ignorance

Do not seek childish absurd excuses

In daily existence, place each step firmly
