

沉重的影子

在無知的黑暗里, 偏離真理
在自我的愚昧中, 違反正義
走失了自己, 沉重的影子
走失了自己, 功利的影子
永遠走不出, 物欲的圍堤
永遠走不完, 背光的行跡
在物質的生活里, 拖負一輩子
在長寂的黑夜里, 熬過這一世?
過去過去! 黑暗的長夜, 一定要過去 (2)

The grim reflection

The dimness of ignorance, deviation from the truth
Mistakes of the ego, violation of righteousness
A loss of self, the grim reflection
A loss of self, the greedy reflection
Ever unable to leave, fenced within material and desire
Back against the light (of God), unable to complete the journey
A materialistic existence, bearing an eternal burden
(Do you wish) to suffer lonely dark nights for a lifetime?
The dark long night must pass, it must pass on (2)
