

物質的束縛

時代潮流的衝擊

現實的生活，脫了節

社會風氣的轉變

人生的關節，變了形

文化思想里，沒有恩義

生活習俗中，沒有教養

一天解不開，物質的束縛

精神挫折！現代的社會

一日卸不下，沉重的包袱

心理失衡！文明的世界

The bindings of materialism

Surging change in the modern trend

A disengagement from realities of living

Transformation of societal practices

The ties of humankind has altered

The essence of culture, lacked gratitude and thanks

Lessons of daily existence, deficient in morality

A day we do not slash, the binds of materialism

The torture of the human spirit! In the modern era

A day we could not cast off, the immense burden

The loss of equilibrium in the heart! In the civilized world
