

斷了線，生命的風箏

拖著長長的命線

飄離了真理的本源

吹著疾疾的風響

吹走了永恆的希望

孤獨無知的哀傷

憂鬱無助的悲歎

斷了生命之風箏

飄向無知的方向

A broken string, kite of life

Trailing the long thread of existence

Adrift from the origin of truth

Rushing winds screeching aloud

Chased away the hope of life eternal

Lonely ignorant sad grievances

Dejected heartrending sighs

The broken kite of life

Flying off to an unknown destination
