

心蓮火

急於見功果,小心著了魔
迷心招財破,今時何其多!
燃起心蓮火,滅去心頭魔
心蓮中神火,渡你過愛河
濁世得渡過,直諦境無我
心淨恒極樂,了脫獲勝果.

Light of the lotus heart

In a hurry to attain results, beware of being possessed by inner demons
Confusion shall lead to loss of fortune, affecting so many presently!
Ignite the light of the lotus heart, extinguish the inner demons
Divine light of the lotus heart, carries one across the river of true love
Passes directly through the chaotic world, reaching the selfless world
A pure heart begets the sweetest fruit of enlightenment, the ultimate bliss
