

似真的信仰

睜不開心眼,看不到苦痛
在自我的陰影中,燃點火種
焚燬了你,焚燬了我,也焚燬了群眾
錯亂了腳步,找不著歸蹤
在似真的信仰中,背負沉重
渡不了你,渡不了我,也渡不了群眾
睜開了心眼,擴大了心胸
在佈教的講論中,利惠大同
救得了你,救得了我,也救得了群眾.

The seemingly true faith

Unable to open one's mind nor see the suffering of others
In the shadow of self, ignites the kindling of ego
Burning yourself, burning me and others
Disoriented footsteps unable to find the way home
In a seemingly real belief, shouldering a grim burden
Unable to guide yourself, guide me or others
Open one's mind, widen the expanse of one's heart
To benefit the society in a grand forum of religion
Able to save yourself, save me and others
