

心中的傷痛

在狂妄的開放中, 精神文明的變動  
異端的邪說中, 是迷信的衝動  
逆天的行事中, 是永生的落空  
光明不在人性中, 是我心中的傷痛  
邪惡潛在人心中, 使我心中更傷痛  
真理不在人心中, 是我心中的傷痛  
正義不在人性中, 使我心中更傷痛  
道德逆轉的邪風, 吹送在黑暗的夜空。

A painful wound in my heart

In a tempestuous liberation, the essence of refined civilization was altered  
In heretical beliefs, the propagation of blasphemous wild superstitions  
Going against the laws of heaven and earth, the loss of the eternal  
Brightness is not within the human nature, a painful wound in my heart  
Wickedness is deep within the heart, increases my pain  
Truth is not within the human core, a painful wound in my heart  
Righteousness is not within human nature, adds to my pain  
Contrary winds of evil nature, blow and breed in the darkness of night
