

踏錯一步

險峻的斷崖邊

走無情的鋼索

小心啊！不能行差一著

深邃的幽谷里

履冷漠的薄冰

小心啊！不可踏錯一步

所做的，一切事情

只為了表現自己

世俗情理上，說不過去

所犯的，一切錯誤

只為了滿足自己

倫理道德上，站不住腳

A misstep

Standing beside sheer jagged cliffs

Walking across a relentless tightrope

Beware! One must not miss a step

Standing within a deep still valley

Treading on bitterly cold thin ice

Beware! One cannot take a wrong step

All actions undertaken, to exhibit oneself

Inexplicable, within a rational society

All violations committed, to satisfy one-self

Unacceptable, within the bonds of family
