

走錯路

煩人的入不敷出

徬徨得心靈無助

爲了生存入歧途，走險路

做自己不願做的事，最痛苦

是思想幼稚走錯路！

還是另外一回事？

你我是社會的一份子

不要當作沒一回事。

多一個，有用的善心人

對社會有所幫助

少一個，有罪的虧心人

對國家有所幫助。

Taken the wrong path

Troubled beings unable to make ends meet

Distressed hearts bereft of any help

In order to exist one had diverge, into a dangerous path

Doing something one is unwilling to do, is the most painful

Was it due to immaturity that the wrong path was taken!

Or were there other conflicting intents?

You and I are part of the larger society, do not regard it lightly

One more useful kind individual, shall serve the society

One less sinful grieving soul, shall benefit the country
