

兜轉的飛雪

公義的太陽

躲在陰森的山里

暴戾的寒意

侵入陰霾的心地

風中兜轉的飛雪

落在生活的迷思里

踩在薄意的冰湖

沒有道義的支撐力

精神的流變，冰冷的心

盲目追逐，虛妄的名利

流動的心，輕浮的話語

眼中沒別人，只有自己

Spiraling snowflakes

The righteous sun, concealed by the gloomy forest

Violent chilly sensations, assail the melancholy heart fields

Spiraling snow flakes within the mind

Fall onto blurred thoughts of existence

Treading on sheer ice of a frozen lake

Bereft of moral and righteous support

A streaming change of spirit, a cold heart

In blind pursuit of superficial fame and wealth

A roving changing heart, an artificial speech

The eyes have no one in sight except oneself
