

活在希望中

孤身上路，跟著感覺走
茫然不知，光明的歸處
不肯承認，自己的過錯
沒羞恥的心，不會進步
人生的路上，迂迴曲折
踏實跨出，生活的腳步
人總是，思想在進步中
應當走，自己該走的路
人總是，生活在希望中
應當做，自己該做的事。

To live in hope

Journeying alone, following the path of sentiment
Dazedly ignorant, of the destination to brightness
Unwilling to admit to past misdeeds
Unashamed hearts are unable to improve
The path of life is tortuous and circuitous
Tread firmly to make pace in life
Man must have ideals, must be progressive
Man should walk, upon the righteous path
Man must live, continue existence within hope
Man should perform, all righteous obligations
