

生命的人靈

一舉一動，必有真情

不偏物質，不忘精神

一言一行，必有真心

不偏物質，不忘精神

不是顯之於外的虛情

而是發自於內的真心

學做一個有生機

擁有生命的人靈

不做一個有生機

沒有永生的人靈

The vital human being

Every movement and action, must hold genuine emotion

Without partiality to materialism, nor no loss of human essence

Each word and deed, should contain a sincere intention

Without partiality to materialism, nor no loss of human essence

It is not a showy display of superficial love

But a emanation of true love from within the heart

Learn to be a vital being, possessing a humanly existence

Do not become a living being, without an eternal existence
