

努力播种(廣東)

不諒解呀,不認同

置身在宗教的烈火中

不忍讓呀,不溝通

置身在宗教的霜雪中

人与人的互相忍容

教与教的互相融通

光明的掌握中

常在心靈上修通

成長的歲月中

常在心田上播種

Continually Seed the Heart's Field

Unwilling to understand, reluctant to acknowledge

You live in the fiery flames of religious belief

Unable to forbear, disinclined to communicate

You exist in the icy coldness of religious belief

Man to man, in mutual tolerance

Religion to religion, exchange views in harmony

Within grasp of divine brightness

Constantly cultivate within the heart

Within the time of growth

Continually seed the heart's field
