

大家的和平

我在無言的靜默中
憧憬著世界的和平
漫天繽紛的繁星
就是不同的心境
屬於你 屬於我
屬於大家的和平
歲月的行云逼得近
伴我在風雨中同行
時光的流水催得緊
伴我在風雨中漸進

Peace For All

In the loneliness of silence
(I) longed for peace in the world
Myriad of stars sprinkle the sky, each with a wish
(Nevertheless) peace belongs to you, to me, to all
The clouds changes with the rush of time
Walk with me through the rain and storm
The stream of time gushes by in urgency
Keep step with me through the rain and storm
