

天下爲公(廣東)

貪小不能立大功

存私不能爲大眾

流入自我的功利中

走入宗教的死胡同

現實的生活中

化暴力爲和愛

利他的行動中

促進天下爲公

人心不平,不能共通

萬物不偏,必可圓融

The World As One Community

Petty greed cannot achieve greatness

Selfish hearts cannot serve the people

Drifting into self centeredness and materialism

Entering into the dead end of religious belief

In daily reality, transform violence to peace and harmony

To benefit all, urge the world to be one community

Biased hearts cannot communicate effectively

Without discrimination, all beings can be in harmony
