

光明的天地

真理的愛雨,洒遍大地

一溪流水,盈滿的笑意

和平的氣息,吹遍大宇

一路花草,欣悅的容顏

啊!貪与欲不起,不再起

宗教的邪氣不生,不會生

啊!名与利不爭,不再爭

文化的歪風不起,不會起

慰藉人心,祥和的空氣

溫暖共生,光明的天地

The Promising Universe

The rain of true love sprinkles the entire earth

A pure flowing stream brims with warm geniality

The breath of peace swirls over the universe

All flowers and plants exudes happiness

Ah! Greed and materialistic desire, does not bud, does not bud

Wicked deeds in the name of religion, does not arise, does not arise

Ah! (For) Fame and fortune, do not strife, do not strife

Evil tendencies in culture, does not grow, does not grow

A happy auspicious air can pacify the heart

Comforting all denizens on earth, the promising universe
