

光明的大道

正義的勇氣，凝聚在心中

真理的信息，傳遞在世間

守著守著，正信的道

走著走著，真行的路

卻步不前，邪僻的小路

理性開明，進步的宗教

正當願行，光明的大道

公義和平，大同的信仰。

The Radiant Highway

The courage of righteousness embraced within the heart

The message of righteousness spread amongst mankind

Preserve, preserve the way of true belief

Walk, walk the path of true belief

Stop on own accord on encountering wayward petty paths

(That is) a rational open-minded progressive religious faith

To correctly accomplish an avowal, the radiant highway

A just righteous peace, the belief of great harmony
