

光明的導航

佇立在慾海的尖端

一盞孤寂的明燈

處在惡劣的環境中

面對末法的挑戰

生命海洋中的導航

把欲望的心門拴上

是以感恩的心情

照亮每一艘法船

是以感恩的心情

照亮每一個航向

The Lighthouse

Standing tall in the sea of materialism

At forefront the one and only light

Surviving in a hostile environment

Facing the challenges of the Kaliyuga

The lighthouse of existence

(It) closes and locks the door against materialism

Thankfully, it lights the way for every darma ship

Thankfully, it lights up every direction
