

追望

踏遍了多少廟院 燒過了無數清香

還是在黑暗中,摸索踱向

在黑暗中迷失方向

登高山又涉重洋

最後你,找到了光

今後不再孤獨,今後不再徬徨

只要你跟著光,你就覺得溫暖

只要你虔誠面對著神光

你就不會被遺忘

宇宙間,永恆生命之神光

帶你奔向永遠永遠

Seeking Hope

After visits to numerous temples, offering countless fragrant incense

Still within the darkness, groping searchingly

In the darkness, the loss of all directions

Over high mountains, across the oceans, finally you find the True Light

Henceforth no longer alone, no longer hesitant

If you follow the light, you shall beget warmness

If you piously face the Divine Light, you shall not be forsaken

The undying light of the universe, leads you to eternity, eternity
