

生大悲心

淨化心靈,生大悲心

放下放下,一切的我見

虔誠信願,生大悲心

大慈大悲,精神的顯現

善巧方便,生大悲心

無時無刻,渡化有緣人

隨緣示現,生大悲心

救苦救難,光明滿人間

Great Compassionate Heart

Purify the inner spirit, nurture a great compassionate heart

Surrender, surrender all personal judgment

Piously believe and promise, raise a great compassionate heart

Great kindness and mercy, an expression of the spirit

A rational worthy means to attain the great compassionate heart

At all times, provide guidance to the preordained ones

With providence, show the great compassionate spirit

Aid the needy and relief distress, brighten entire humankind
