祥和安定的國家

The Good Traditional Virtues

Loyalty, filial piety, benevolent compassion, trustworthiness, righteousness and harmony
These are the core qualities of Confucius's teachings
Cast off personal desire, inculcate divine principles and conscience
Give rise to kind thoughts, perform good benevolent deeds
If you can forgive others, you can forbear all of humanity
Tolerance of others, you can forgive all beings
Noble and pure conduct, love all beings
Learned and knowledgeable, love your country
Peace and tranquility, benefits the society
Happy and auspicious, the country is secure
