

求真理,找正義

邪惡感染的社會

道德意識的偏差 (2)

文化的歪風中

否定精神的存在

宗教的邪氣里

追逐虛幻的將來

侵蝕了,人類的信行

吞噬了,社會的道義

真宗正法里,追求真理

天理人情中,尋找正義

短暫的生命,有限時

浩瀚的宇宙,無窮盡 (2)

Pursue truth to seek out righteousness

An evil wicked air has polluted society, a deviation of moral consciousness

A perverse trend of societal culture, deny the presence of the spiritual God

In the wayward wind of religious beliefs, pursues an illusory and imaginary future

Corroded away the conviction of mankind, swallowed societal morality and justice

Within the true belief and pure dharma pursue the truth

Within divine ideals and human values seek out righteousness

The short existence is limited in time

The vast universe is without boundaries
