

做人的承諾

抗逆的性格,放任的生活

物質的迷惑,縱慾的享樂

失去傳統的美德

捲入漩渦的罪惡

從生的苦惱中解脫?

從死的罪孽中墮落!

是善是正是邪是惡

切合人生的道德

是善是正是邪是惡

懇切做人的承諾

Promise to uphold human moral values

A rebellious character, a wayward lifestyle

Material temptations, an indulgent of the flesh

A loss of traditional virtues

Swept into the whirlpool of sins

(How to seek) release from the bitterness of life?

(Otherwise it is) degradation in sins after death!

Kindness and righteousness, evilness and wickedness

Be able to conduct one self with human moral values

Kindness and righteousness, evilness and wickedness

Faithfully promise to uphold human moral values
