

宗教信仰

沒有迷惑物慾的混淆 沒有偏愛物質的目標
祇要伸張正義的呼號 祇要永恆真理的尋找
不為名利的罌粟迷心竅 不為權勢的毒草隨風搖
宗教是日常生活的軌道 宗教是精神途上的指標
導至光明，正統的宗教 沒有偏愛物質的目標
秉公行義，真理的宗教 祇要永恆真理的尋找。

The Belief

There should be no obsession for materialistic desire
There should be no partiality towards worldly ambition
Cry out to uphold righteousness
Search only for the eternal truth
Not for the opiate of fame and wealth, nor lose the clarity of mind
Sway not for the poison of might and influence
True belief should be the task of daily living
True belief should be the destination of the spiritual path
Leading you towards brightness, the genuine belief
There should be no bias towards worldly ambition
Impartial and righteous, the belief of truth
Search only for the eternal truth
