

祇要有道 (廣東)

生命之中,祇要有愛
沒有仁愛,不能共存
珍惜自己,努力修身
愛中進步,社會的安寧
生命之中,祇要有道
沒有仁道,不能共榮
提昇自己,努力修德
道中進步,人性的光明.

The moral code

Within our lives, we just need love
Without human love, we cannot live together
Value one self, make efforts to self cultivate
Improve through love, society becomes calm and peaceful
Within our lives, we just need a moral code
Without morality, we cannot reach glory together
Transcend one self, make utmost efforts to cultivate virtues
Improve with moral values, the human spirit shall be radiant
