

光明的善德

天理的循環,因果報應

五行之旋轉,皆有定數

一言呀一行,不種惡因

一舉呀一動,不造惡業

利慾薰心,傷害了靈性

罪業的磨石,日有所損

辛勤耕耘,豐盛的花果

善德的芝蘭,日見滋長

留芳百世,光明的善德

無明的罪業,遺臭萬年.

Kind radiant virtues

The celestial law moves in a cycle, as karma and retribution

The five heavenly directions changes, as fate and destiny

With each word and deed, plant not an evil root

With each action and movement, carry out not an evil deed

Pleasure seeking, like acid fumes blind the heart and hurt the spirit

Sins like a grindstone will wear away all things

Make efforts to plow, one shall get a bountiful harvest

Kind virtues, like fragrant irises will multiply daily

Kind radiant virtues, remembered through all times

Ignorant sinful deeds, infamous throughout the ages
