

知足

多少富了又會苦

對下不欺真有福

多少貧了又會富

比上不辱心知足

飢寒貧病盡是苦

平安飽暖盡是福

人生知足便是福(2)

To be content

Many of the rich will one day be poorly bitter

Blessed are the wealthy who does not deride the poor

Many of the poor shall one day be prosperous

No feelings of inferiority in face of the rich, that is contentment

Hunger, cold, poverty and sickness are sufferings of mankind

Well fed, warmth and peace are the blessings

To feel fortunate is to be content
